

**SOUTHEAST NEBRASKA EM REGIONAL GOVERNANCE BOARD
HOMELAND SECURITY GRANT PROGRAMS**

REQUEST FOR FUNDING

County: Richardson

Date Submitted: 06/09/2014

Jurisdiction/Agency: Richardson County Emergency Management Agency

Contact Person: Dixon, Brian

Contact Information — Phone: 402-245-2446 Email: rcema@sentco.net

Project Area (check one) Communications Planning Training Exercise

PET-Related Projects: DHS-Approved Non-DHS Approved

DHS Course Name/Reference No. (i.e., AWR-140, etc.):

If Training, Names of Persons Attending:

Non- PET Project Name:

Project Description (Equipment/Personnel/Supplies/Etc.): Equipment

AEL Numbers/Costs: 10GE-00-GENR

How/why project/request supports approved regional

objectives (at least 3-4 sentences; **be specific**): Purchase and intallation of a generator will allow "in leu of rent" use of a communications tower in the far northwest corner of Richardson County. Use of this tower will be for the NRIN Microwave project. In addition, this tower will be used for local and multi-county (Richardson, Pawnee, Johnson, & Nemaha) public safety two-way land mobile radio communications.

Total Funding Request (itemize by category): \$ 9356.00

Grant Year: 2011

Additional Comments:

I, the undersigned contact person, understand that the above-noted funds, if approved by the Governance Board, will be the total amount of funds allocated for allowable expenses only (for allowable lodging & travel costs, see www.gsa.gov/perdiem). Any additional costs associated with this request in excess of the approved amount will be the responsibility of the requesting agency/department or those attending. I also understand that it is my responsibility to determine expenses eligible under DHS & NEMA guidelines.

Brian W. Dixon
